EXPERIENCE

Capital BPM

Greenville, SC

BPM Consulting Intern

June 2026 – Present

- Develop an internal sales app to support pre-sales workflows, improving project scoping efficiency by 25%
- Collaborate with clients during sales engineering to configure and implement Camunda-based BPM solutions
- Contribute to AI-powered document intelligence architecture, integrating Claude-based tooling into automation pipelines

Dulles South Neighborhood Closet

Dulles, VA

Full-Stack Developer (Volunteer)

April 2026 – Present

- Built a custom web application for nonprofit leadership to streamline fundraising and community outreach
- Architected a zero-cost relational database using Google Sheets and Apps Script with custom API endpoints

BYU Continuing Education Registration Center

Provo, UT

Customer Service Representative

Sept 2021–Apr 2022, Sept 2024–Present

- Resolved 350+ daily inquiries using ticketing and troubleshooting tools, improving satisfaction scores and reducing wait times
- Automated reporting workflows using Excel, pivot tables, and VBA, reducing manual processing time

Church of Jesus Christ of Latter-Day Saints, Ecuador Guayaquil West Mission

Guayaquil, Ecuador

Full-Time Missionary

May 2022 – May 2024

- Led districts and zones of 6–32 missionaries, designing training systems and using digital tools to track progress
- Trained 20+ missionaries in Spanish, leadership development, and outreach strategies

AWARDS & FEATURED PROJECTS

- 1st Place, TES Innovation Contest | BYU College of Engineering
- 1st Place, Systems Development Challenge – LyrningLMS | React, Node.js, Postgres, Groq | Mar 2026 – engineered a custom AI Dependency Score for transparent oversight of student-agent interactions
- Client photography site (Astro, TypeScript, Cloudflare Workers) – authored the initial build, gallery content schema, and responsive hero art direction | Jul 2026
- Full-stack nonprofit management system (React, TypeScript, ASP.NET Core, Azure Postgres) with role-based security and ML-driven insights | Apr 2026
